

LOW VOLTAGE

NEW PRODUCT RELEASE

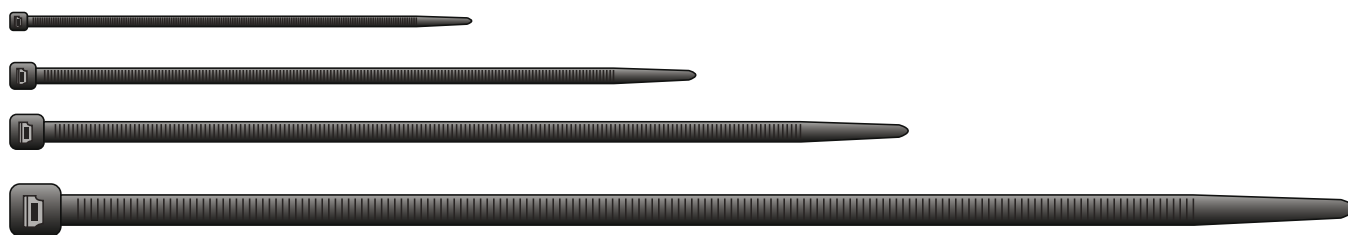

OCTOBER 2012

HEAVY DUTY CABLE TIES

The new range of Low Voltage Heavy Duty Cable Ties have been designed with the Tradesman in mind. They are strong, durable and weather resistant.

Low Voltage cable ties are manufactured from UL approved nylon 6/6, are UV resistant for use in direct sunlight and have a temperature rating of -40°C to +85°C.

CABLE TIES

HEAVY DUTY
